In case we don't, please feel free to [reach out us](#).

What is the typical response time for your Express Road service?

Our team guarantees a response time of just 15 minutes from your inquiry. We're committed to providing swift solutions for your time-critical shipments.

How quickly can you collect shipments?

We can arrange collection within 2 hours across most parts of Europe. This ensures your goods start their journey without unnecessary delays.

What industries do you specialize in serving?

We specialize in serving industries with time-sensitive logistics needs, such as: Automotive, Healthcare & Pharmaceuticals, Manufacturing, E-commerce

What vehicles are available for express road shipments?

We offer a wide range of vehicles, including: Small vans for urgent, lightweight deliveries. Large trucks for bulk shipments. Specialized vehicles for temperature-sensitive or oversized cargo.

Can you handle cross-border shipments within Europe?

Absolutely! With over 50 offices in 26 EU countries, we have deep expertise in cross-border logistics, including customs clearance and documentation.

Are your services available 24/7?

Yes, our express road service operates 24/7. Whether it's early morning or late night, we're ready to assist with your logistics needs.

How do I request a quote for an express shipment?

It's simple! You can: Email us at expressvan@mauriceward.com.

What should I prepare before requesting an express shipment?

To expedite the process, please have the following details ready:

- Pickup and delivery addresses.
 - Cargo weight and dimensions.
 - Any specific handling or temperature control requirements.
 - Desired pickup and delivery times.
-

How do you handle unexpected issues during transit?

Our team monitors every shipment in real time and is equipped to respond immediately to unforeseen circumstances. With our 24/7 support, we ensure minimal disruptions and provide prompt updates.

Do you offer tailored pricing for recurring shipments?

Yes, we provide custom pricing solutions based on your unique needs, shipment frequency, and industry requirements. Contact us for a personalized consultation.

Can you handle oversized or heavy shipments?

Yes, we have the vehicles, equipment, and expertise to manage oversized, heavy, or bulky shipments efficiently and securely.

How do I know if express road service is the right option for my shipment?

If your shipment is:

- Time-sensitive and requires immediate delivery.
- High-value or requires special handling.
- Part of a disrupted supply chain that needs quick resolution.

Then express road service is your ideal solution. Contact us to discuss your specific needs.
